BVI Legal Services in the European Time Zone

Given the widespread use of British Virgin Island's ("**BVI**") companies, there is an increasing requirement for BVI legal advice and BVI services.

DQ is one of the few Isle of Man based law firms which offers a specialist BVI law service. Recognising the problems posed with the time difference faced by European based businesses, DQ offers the right advice in the right time zone.

Scope of Services Offered

DQ's BVI team offers a comprehensive range of BVI legal services to an international client base including:-

- same day BVI company and litigation searches;
- certificates of good standing and registered agent certificates;
- assisting with the incorporation of BVI companies;
- reviewing and drafting BVI corporate documents;
- BVI legal opinions;
- registration of charges at the BVI Registry of Corporate Affairs;
- re-domiciliation of companies both to and from the BVI;
- BVI insolvency advice;
- BVI litigation advice.

Speed and Quality of Service

DQ is renowned for the speed and quality of its service, which Chambers Global has said “cannot be bettered on the Island”. The BVI legal services offered by DQ are principally aimed at European based clients who need access to experienced lawyers within the European time zone. Being based in the Isle of Man (which is 5 hours ahead of the BVI) gives DQ the geographic advantage of being able to turn around urgent BVI work in the same day and to be available throughout the European business day for clients.

One Stop Shop

DQ co-ordinates the client’s entire BVI needs, ensuring that clients benefit from a streamlined approach and a “one stop shop” offering, which in turn saves time and costs for the client. DQ offers competitive and flexible fee structures and works with clients to build long term relationships.

About Us

DQ is a leading full service law firm based in the Isle of Man advising on Isle of Man and BVI Law. Our lawyers are recommended in **Chambers** and **Legal 500**.
